HOW TO:

1. After hallowing out your pumpkin, print your Oprah.com jack-o'-lantern pattern.
2. Tape the sheet to your pumpkin.
3. Use a nail or knife to poke holes through the pattern and into the pumpkin, creating a guide.
4. Remove the paper.
5. Use a serrated knife to cut the design along the path you marked.
To remove the pieces, try pushing them from the inside out.
